OUR GROUP DESTINATION WAS *Cyprus*

SCHOOL AND LANGUAGE COURSE

English

The classes took place at the Bayswater Cyprus language school (English in Cyprus)

Getting around Cyprus turned out to be not an easy task. The Internet wasn't as usefull as we needed. The most helpfull to us, turned out to be the tourist information point, which we used several times during our stay on the island.

Learning English did not end in school classrooms. The language skills we developed at school were useful during our free time, when we looked around island.

We communicated in English: in restaurants, at the tourist information point, with bus drivers or when renting a car.

SOUVLAKI

PRAWNS SAGANAKI

MEZE

The Best FOOD IN CYPRUS

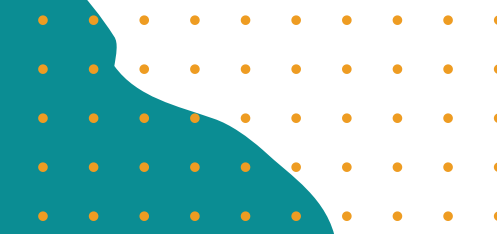

Souvlaki, marinated meat grilled on a skewer, is a Greek fast food.

The Cyprus meze table is a traditional gathering place – warm, inviting, and always casual. It is an atmosphere where the plates are communal, the conversation is spirited, and the pace is leisurely.

Prawn saganaki is a rustic Greek dish made with tomatoes, prawns and feta cheese.
